By signing this contract, I understand that I am paying for the Facility use of All About Dance Studio on _____, 2014, for the time frame _____. I understand that All About Dance will order a party kit for the requested theme, have cake delivered by For Sweet's Sake Bakery, have the party and tables set up, and will provide service to clean up the space when finished. The company will not provide bagged party favors or a filled piñata, unless specifically listed in the contract. However, those items are approved to be at the venue, but the studio must be notified. If the party runs past the designated 2 hour time frame, I understand that I will be charged \$50/half hour for the use of the facility. I understand that All About Dance will provide 30 minutes of dance instruction for attendees at the party, and that the party will be allowed 30 minutes of "free dance" time as well. If the party damages any part of the studio (mirrors, bars, walls, bathrooms, etc.), I understand that I will be billed for any and all repairs. I hold in good faith that all attendees at the party are of physical fitness to be engaging in the activities listed above, and that I will not hold responsible, All About Dance, or any of its associates, for any medical emergencies that may occur on the premises.
